Adams Central on

Another year well-traveled by students of Central High--Route '66! It's been a lively time full of activities, organizations, study and friends. Centralites moved in from all directions to spend a worthwhile year of school life. People passing from class to class to class on their daily routes, exchanging gossip and comparing notes, added happiness and friendships as they traveled. At twelve o'clock they dashed to the cafeteria for a nourishing lunch that gave them energy to rush to the gym to hear the "noon-time-latest," and to participate in recreation. The out-going spirit of the cheerleaders and fans, and the enthusiasm everyone put into the school day served as "road-maps" for a wonderful year--

Our Summer Activities Began

Help John, I'm drowning!

Diana Roudebush can't figure out why everyone's going to bed before her--and why so early??

The FFA displaying their talents in home economics!?

The Summer Was Over, So . . .

As the days went by, the three month vacation had ended, and the new school year began. The summer activities included such things as swimming, summer jobs, slumber parties, fairs, band trips, and many other activities that made the summer a very busy time. Then started the routine of class work, lunch lines, and crowded halls. Day after day we followed the routine, but with hardly a dull moment.

"Well, the beginning of another year," sighs J. Patrick.

Mary Edgell now displays her great effort of work.

Let's wake up Ron Reynolds, vacations over.

Jim Miller starts the year off right by being sent out into the hall.

Back for Another School Year

A new addition was added to the school building this year??

The SSS girls start the year with the annual sale of sweatshirts.

This is what you call togetherness.

Hey! Is this the way to start the school year??

What's this, a new dance or just intramurals??

Steve Landis, are you showing your personality??

A Recess from Classes

When the noon hour came, the Centralites rushed to the cafeteria for a nourishing lunch. They gulped their food, and hurried to the gym to hear the latest gossip and to participate in the noontime activities.

What's his name, Barb?

Eat 'em up or talk 'em up?

These little children have a hard time selecting their candy bar.

Tired already??

to the Noon Activities

The hardest time of the day--giving up your money.

Who's been throwing their weight around? Could it possibly be Jim Everett?

Myles Anderson tries to make his way through by shutting his eyes, but his plan doesn't seem to work too well?!

All Part of the Daily Routine

Someone found another use for his book.

Students journey home after a hard day's work by bus.

Janice, what's going on back stage??

A scene from the musical "Mr. Scrooge."

Students and Professionals Show Their Ability

Mr. Roush and one of his speakers talked to the student body and the government classes.

This year we were honored with a couple from Hawaii.

On February 5, the A.C.--Geneva game was highlighted with the crowning of Cen-Trail's queen and king. Cameras flashed as each of the five couples walked through the arch to the stage which was beautifully decorated around the theme--The King and Queen of Hearts. Queen Kathalee and King Roger were chosen by a vote of the student body. This activity was sponsored by the yearbook staff.

The Honorable King and Queen Court

Kathalee Ehram was escorted by Steve Smith.

Cheryl Isch's escort was Steve Stucky.

Flower girl was Debbie Byerly and ring bearer was Mark Rich.

Academics on Route '66

All students and teachers worked together to understand one another and accomplish their academic needs. The wide variety of subjects offered at Central enabled the Centralites to choose the subjects that interested them. Students chose their subjects according to the goals in which they intended to reach.

We Express Ourselves

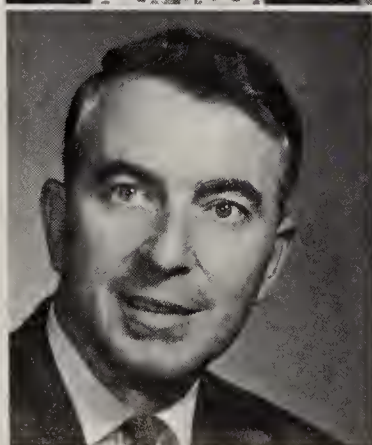

The Centrailites use the library to prepare themes, book reports, and general information.

M. Hamrick displays his special talent by giving a motionless speech.

Mrs. Linder

Mr. Sprunger

Mrs. Kellogg

As a part of the educational advancement of Adams Central, the English and Speech Departments were strengthened by Miss Starns and Mrs. Kellogg. They brought many new ideas about English.

Mrs. Kellogg is preparing the seniors for college by assigning many essays and themes. Also, she is preparing the freshman for further study in English.

Miss Starns and Mr. Sprunger are also teaching the underclassmen the fundamentals of English.

Also the students in Speech Class are gaining confidence in public speaking from Mrs. Linder.

in Different Languages, Challenging Communication

J. Franz points out one of the thrilling events in Spain--a bull fight--to J. Burkhead and L. Beavers.

S. Sommers, P. Schaffer, J. Christman, and P. Arnold demonstrate the proper way to form a foreign vowel.

Mrs. Stucky's Latin students learned that our English language is derived from Latin. During the year the Latin II students are required to write a term paper on a Roman activity and a bookreport. The Latin I student give reports on Roman gods and goddesses.

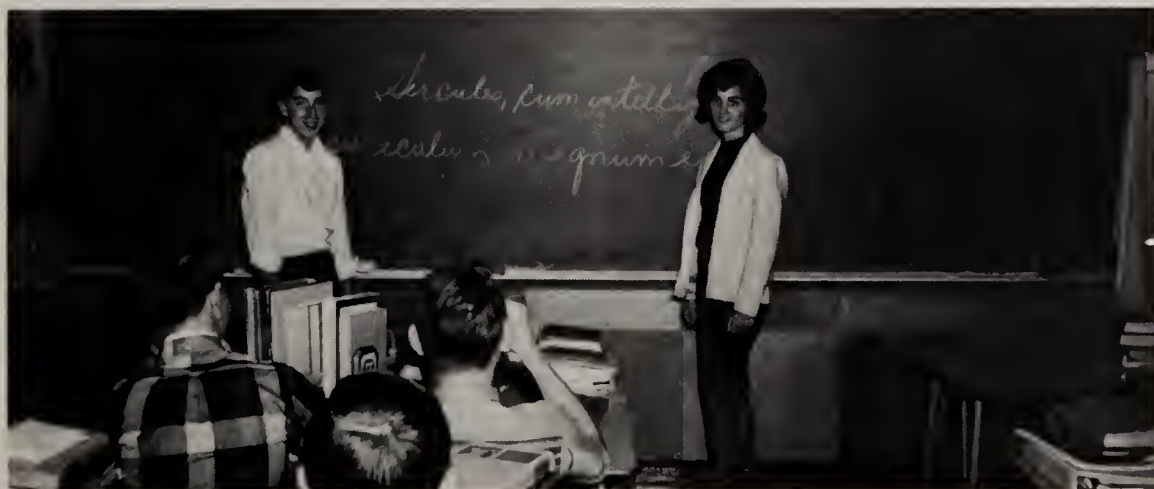

Tapes, records, and exchange students from South America helped the Spanish students to further their knowledge of the Spanish language. Miss Williamson also sponsors the Spanish club which plans various parties using Spanish customs.

A. Ringger and J. Workinger take time out to poise for a Latin picture.

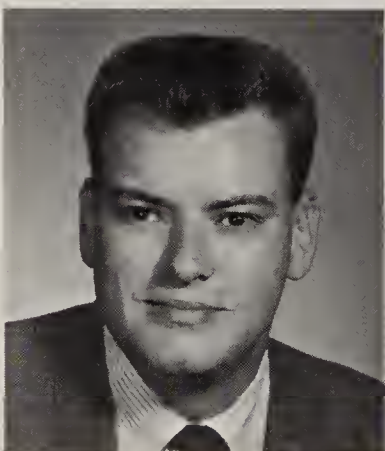

We Discover New Routes

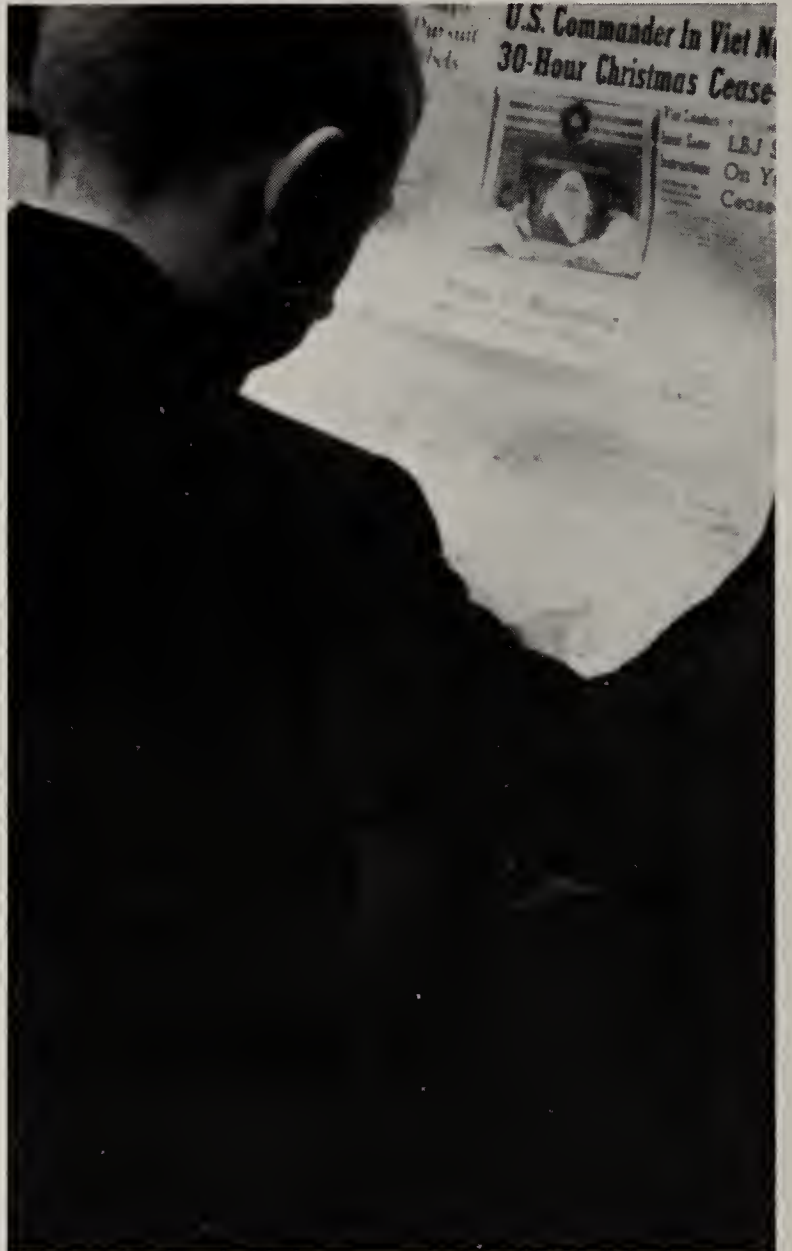

Ed Daniels can hardly bear to stop the discussion of government long enough to pose for a picture.
(Row 3, seat 6)

Mr. Shoup

Mr. Hoffman

The students had the opportunity to read about one of our recent world events--the war in Viet Nam.

Social studies is one faze of education that is intently studied by A.C. students. World history, taught by Mr. Hoffman, shows sophomores the comparison of historical events with events of today. The juniors are taught United States history by Miss Starns. As seniors, the students learn about American government and the problems of our democracy. They are taught by Mr. Shoup.

Through People and Places

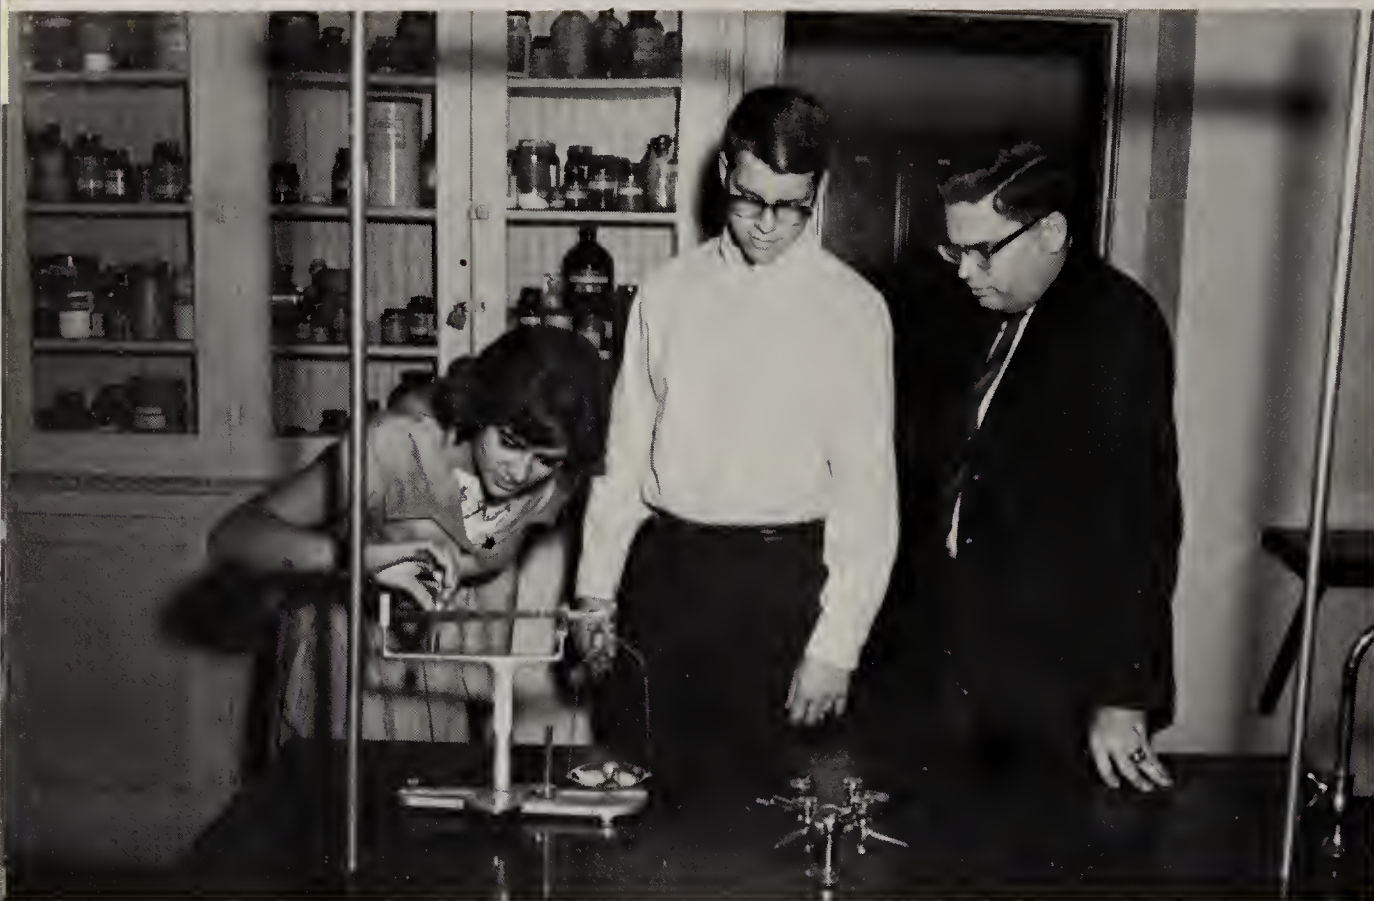

Psychology is offered as a one semester course here at Adams Central. It is taught by Mr. Hindenlang, and it helps the students to understand the strange action of people.

Miss Starns exercises the importance of panel discussion.

Miss Starns

Larry Rich displays his talent of hypnotism . . .

K. Ehrsam explains the correct method of weighing elements to J. Kaehr and Mr. Allspaw.

Science Provides the Key to Many Ways

Besides teaching math, Mr. Allspaw heads the science department. Included in this is chemistry and physics. The many students who enrolled in these courses have gained knowledge through classroom discussion and laboratory experiments.

Miss Williamson shows B. Genth and L. Nussbaum the correct way to make a leaf collection.

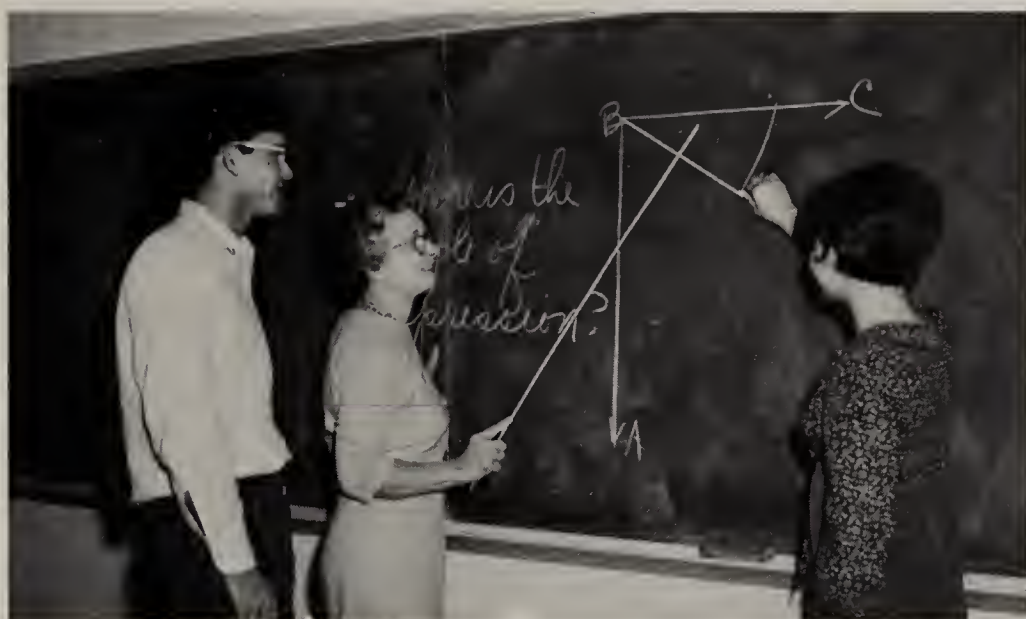

Mr. Adler

Mr. Allspaw

Equations and Formulas Strengthen Knowledge

Diana Roudebush tries to convince Chuck McCullough and Miss Beavers that she knows her trig.

Jim Miller finds chemistry rather confusing.

Steve Sommer and Mike Burke find the slide rule very useful.

The new program, modern math, has introduced many new words and symbols. This new program was instructed by Miss Beavers, Mrs. Moller, and Mr. Allspaw. The math department was aided by Mr. Rahn, a student teacher from Taylor University.

Mrs. Moller

Miss Beavers

Mr. Habegger takes time to help one of his students with a "business" problem.

The typing class displays their technique of typing.

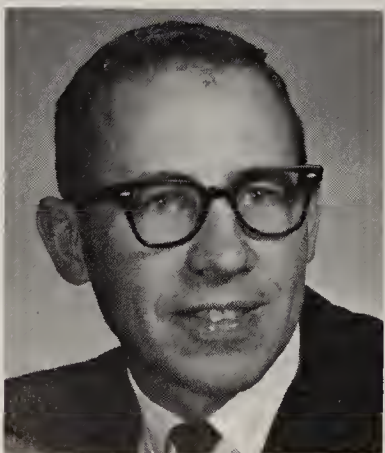

We Prepare Ourselves

Mr. Habegger

Mrs. Archbold

Mr. Bryan

A. Borne and M. Gerber get additional experience from working in the high school office.

This year Adams Central has again kept its advanced business curriculum. Bookkeeping and General Business give the students the basic fundamentals of keeping books and math. Typing I and II are also offered in this curriculum. Shorthand taxes the girls' minds with the brief forms and basic principles of dictation. Office clerical work is offered in the Secretarial Training course. Business Law teaches the students the use of law in business. With this foundation students can graduate and find life in the world of business easier.

D. Rich didn't know that studying shorthand could be so much fun.

for the Business World

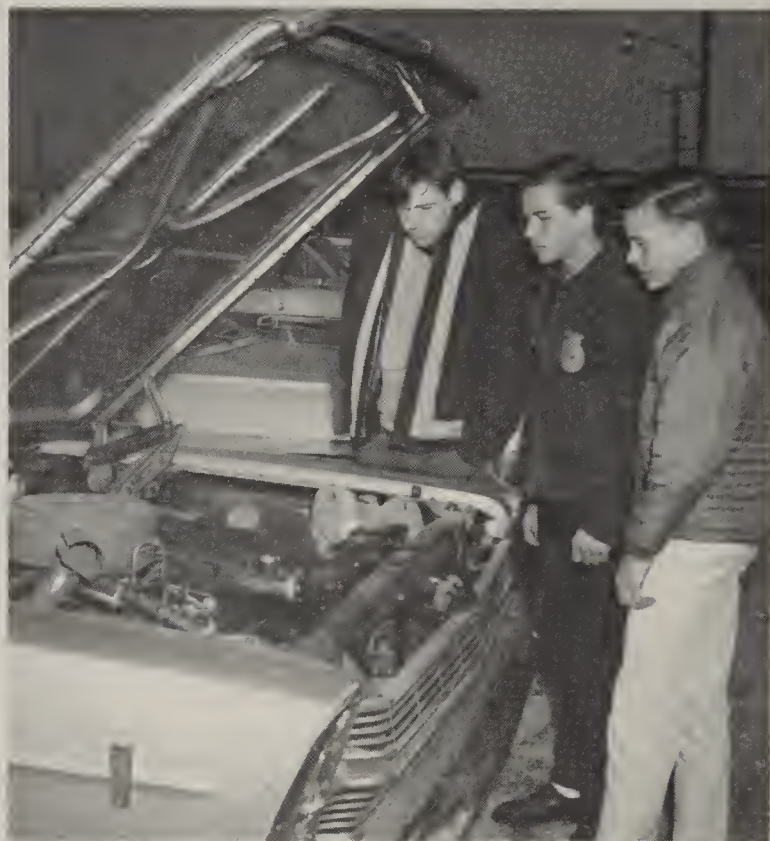

Developing Physically and Mentally

Mr. Zurcher stands in deep thought wondering what's come over L. Rich, D. Striker, and D. Roe.

"Hmn--I wonder what's wrong."

Is M. Sauers going to let P. Harvey show him up?--
Yup

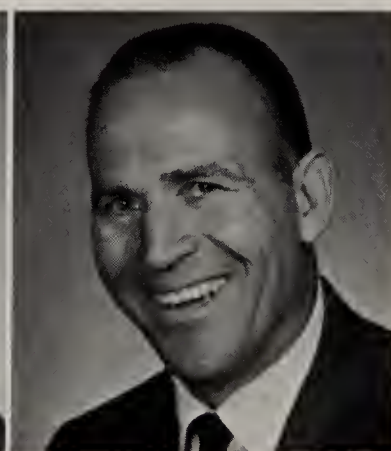

This years physical fitness education program has helped our freshmen and sophomores to become more coordinated both mentally and physically. Teamwork and sportsmanship were greatly stressed.

Our health teachers, Mrs. Slodner and Mr. Zurcher, stressed the need for physical fitness, good health habits, and wholesome living.

Students taking Driver's Education learn to handle and to operate the automobile correctly, as well as to learn the basic fundamentals of safety.

Mrs. Soldner

Mr. Zurcher

Preparing for the Everyday Duties

Mrs. Nielson

Home Economics prepares the younger girls for high school, and the older girls for their future homes. Taught by Mrs. Nielsen, the classes learn not only cooking and sewing, but money management, improving their personal appearances, child care, and many more units.

As the girls grow older, they will put into use the many lessons they have learned in these few short years.

To lengthen or shorten, that is the question.

L. Tonner and B. Hirschy try desperately to find the needed utensils in their neatly arranged cupboards.

Mr. Henkel points the students errors, to prevent future mistakes.

What's A. Baumgartner trying to hide?

The Journey of Creation

Mr. Henkel

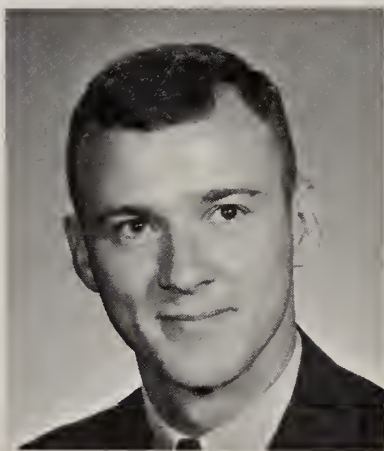

The art students developed the scenery for the "Sweetheart Banquet".

Mr. Kirchofer

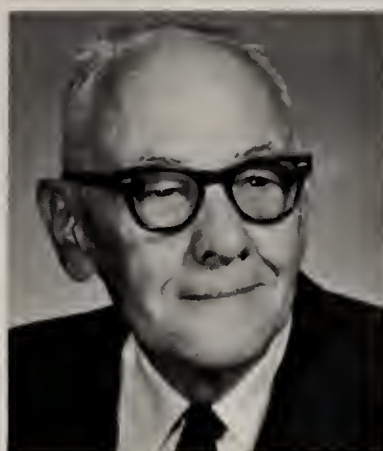

Mr. Gerig

Pupils of all grades learn to appreciate music through the teaching of Mrs. Fuhrman, Mr. Henkle, and Mr. Gerig. Art is taught to grades one through twelve by Mrs. Fuhrman and Mr. Kirchofer.

Mr. Watson helped the agriculture students plan their future by teaching them the latest methods of farming and farm management. He was assisted by Mr. Paxson, who taught here as a student. In industrial arts, Mr. Striker and Mr. Burkhalter taught the uses of electricity, proper welding methods, woodworking, and mechanical drawing, to a large number of interested boys.

Mr. Striker

Mr. Watson

Helps Broaden Our Scopes

J. Hamrick and J. Butler demonstrate some work done in shop class.

Mr. Paxson points out the description of different cattle.

Organizations on Route '66

School life does not occupy all of the Centralites time. Students always find time to join a club and participate with their fellow students. Through organizations the Centralites learned to cooperate with others, and develop leadership. The Girl's Athletic Association is a new organization in the athletic department.

MR. GERIG--DIRECTOR

The Marching Band of Route '66

Below Mr. Henkel is writing a pass for a number of students to "help" eliminate some of the confusion.

The Accents of the Band

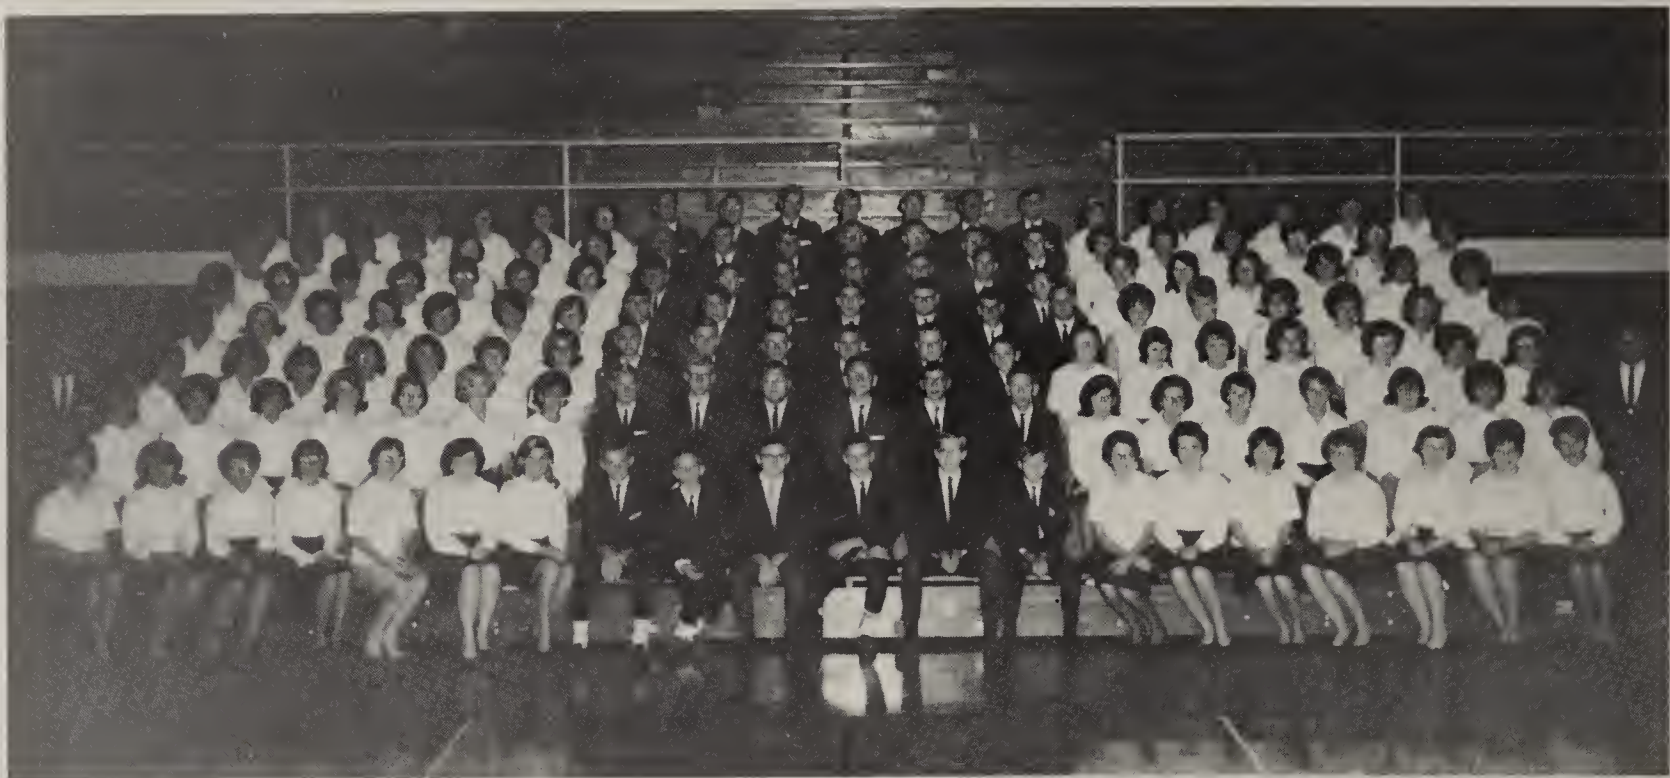

The Adams Central band consists of approximately 110 members. This past year the band has made several good showings at concerts and marching parades. The band received firsts at Auburn and Decatur, seconds at Harlan and Ball State Band Day, which was a new event, and fifth at Bluffton. The band also performed at home ball-games to entertain the fans. The band has also improved its appearance by purchasing three new sousaphones.

Janice Soldner, editor, and Rita King, assistant editor have kept the newspaper staff hopping this year. The Jet Journal, which is the by-weekly paper, keeps Adams Centrail's students well informed about school activities. Many hours were spent getting each issue ready for distribution. After articles were written, layouts completed, typing finished, artwork drawn, and mimeographing and stapling done, the Jet Journal was finally put into the hands of the students.

The Sunshine Society's motto is "others". The help of all the girls and their sponsors, Mrs. Stucky and Mrs. Nielson, made it possible to hold the annual District Convention in which 500 girls attended. The parents were honored at a Ma, Pa, and Me potluck, and the boys enjoyed the Sweetheart Banquet with the theme "Twas the Night Before Christmas". The peanut pal week was another special occasion.

Dramatics Display Hidden Talents

DRAMATICS OFFICERS: R. Schnepf, Vice-president; G. Yost, Secretary; Don Raudenbush, President; Cathy Gerber, Treasurer.

This year the Adams Central Dramatics Club has taken a big step in play productions. With the combination of musical talent and acting ability, a great musical production of "Mr. Scrooge" from DICKEN'S CHRISTMAS CAROLE was performed. Even though there were last minute memorization of lines plus shaky knees, with the help of stage crews, bright lights, prompters, and the directors, the musical was a great success.

The Adams Central Rifle Club has been organized for three years. The best marksmen have displayed their skill by competing in many contests. A number of the members attended a rifle camp this past year.

The Spanish Club has been active for three years. Their purpose is to help create a better relationship with Central and South America, by learning more about them.

The Art Club is a very helpful organization. It has helped make Central decorative and interesting.

Sports on Route 66

Central displayed their athletic ability very well this year. The hardwood quintet ended the year with very few losses--a great year. From baseball and cross country in the fall until track was completed in the spring, our athletes were keeping themselves moving. The important role that sports played in the school activities was the ever growing spirit of competition that was created as the athletes strived for unity and sportsmanship.

The team participated in the 15-team Eastern Indiana League where they played with 7 other teams in the Northern division. The team won 8 out of 15 games and finished third in their division.

The Adams Central cross country team finished a very successful season by winning the EWVC and the Adams County championship meets. Although this was their first year in the ACAC they finished third in the 9 team conference meet. Led by coach Ed Bryan, the harriers defeated 14 teams while losing only 2 during the regular season. Displaying amazing team balance, the Jets placed at least five runners in the top ten in 7 meets. Jasso flew to a new school record of 9:48 over the Decatur golf course which broke the old record of 9:54.

The Conference squad was composed of Angel Jasso, Allen Birch, B. Brown, Roger, Currie, Denny Striker, Denny Harvey, and Phil Isch. Only Jasso and Isch will be lost by graduation.

Jets Fly High!

ROW 1, L.-R.: Cheerleaders: L. Tonner, K. Ehram, B. Hirschy, D. Moser. ROW 2: D. Borne, S. Smith, R. Currie, D. Ringger, L. Ratcliff. ROW 3: S. Tumbelson, J. Gilbert, B. Brown, S. Stucky, Coach Zurcher. ROW 4: D. Green, B. Cook, R. Schnepf, A. Birch, B. Stuckey, J. Morningstar.

The 1965-66 version of the Adams Central Jets is certain to be remembered as one of the best shooting clubs that the school has ever had. This year's shooting percentage averaged approximately 42 percent from the field, and 70 percent from the foul line. Jets roared to victory in 13 of the first 14 games. The Jets then went into a four game tail-spin, and finished the season by regaining their early season form, and remained in their high altitude flight through the sectional. The Jets ended the season with a respectable 15-5 record.

The following is the fighting Jet prayer. This is what was said before starting to play each game:

A JET PRAYER FOR TODAY

This is a new day. God has given me this day to use as I will. I can WASTE IT or USE IT FOR GOOD. What I do today is important, because I am exchanging a Day of my life for it. When tomorrow comes, this day will be gone forever, leaving in its place something that I have traded for it, I want it to be GAIN, not loss; GOOD, not evil, SUCCESS, not failure; in order that I shall not regret the price I paid for it. Father gives us strength and power to give our BEST!

Good Prospects for Future "Jets"

Second Team. ROW 1: Cheerleaders: B. Tonner, M. Stucky, D. Roudebush. ROW 2: B. Zurcher, L. Shoaf, D. Ringger, W. Ross. ROW 3: T. Schmitt, D. Sanders, B. Brown, B. Miller, D. Bieberich, L. Mitchel, Coach Bryan.

The 1965-66 second team finished the season with 14 wins, and 6 losses. The season was highlighted with the winning of the 4-way tourney. The team started out a little slow, losing 4 out of their first 6 games and finished the season by winning 12 of their last 14 games.

The freshman squad ended their season with 9 wins and 3 losses. They were

runner-ups in their tourney. The young Jets showed great promise in several "Jet qualifications". These included such characteristics as--HUSTLE, DESIRE, HARD WORK, NEVER QUITTING, PRIDE, SPORTSMANSHIP, and BALANCE. The season might be summed up as follows--"what they lacked in size, they overcame by hard work".

FRESHMAN TEAM. ROW 1: Cheerleaders: B. Brunner, B. Harmon, B. Birch, G. Leyse. ROW 2: Coach Habbegger, P. Arnold, M. Schmitt, J. Franz, G. Hirschy, B. Borne. ROW 3: S. Stump, S. Steury, J. Sipe, K. Sommersett, M. Royer, J. Burkhead.

The 1965-66 Jr. High basketball team had a season record of 16 wins and 0 losses. They concluded their perfect season, under the direction of Mr. Hoffman, by winning the four-way tourney held at Adams Central. This season has shown what hard work, desire, and team work can do on the basketball floor. Congratulations boys for a job well done.

The 1966 year was an excellent cinder season for the Jets. The team worked hard during practices and gave their very

best during the meets. The height of the season was marked by winning the E.W.V.C. The Jets competing with 10 teams in the Berne relays scored 31 points to take 4th place. Hard work and determination paid off for four boys that set school records. Art Ringger blasted a 47'8 1/2" shot put, Phil Isch roared around the 440 yd. dash in 54.1 seconds. Roger Schnepf flew over the high jump at 6' 1/2", and Jerry Morningstar buzzed the low hurdles in 21.1 seconds.

G.A.A. members participated weekly in bowling league, volleyball and basketball tournaments, softball, track and tennis. It was especially fun for the girls to compete with G.A.A. teams of other schools. The first and second teams won all of their games with other schools. They also competed with four teams in a basketball tourney at Leo High School, in a Spring Sports Day March 19, where awards were given to the winners. G.A.A. award and trophies will be presented in

the spring to girls who have earned them.

Volleyball was started as an inter-scholastic sport at Adams Central for the first time this year. This year's team, under the direction of Mr. Habegger, started very slowly, but as the season progressed, the wins started to come. The team finished in a tie for 4th place in the ACAC. In the league tourney, the team was defeated by Monroeville in a hotly contested game to finish the season.

Friends on Route '66

Those priceless people who share our laughter, sorrows, hopes, and dreams are our friends. They are by our side while we are cheering the basketball team to victory or despairing over a heartbreaking loss. Being together at parties, proms, noon-hours, and class, seems only to bring classmates into closer friendships. No matter what the age, friends help us travel over life's rough pathway. For the students of Central, the friends make their Route '66 smoother and more enjoyable.

To Everyone:

The editor wishes to thank those who have contributed their time, effort and money for the annual. Without the well-given advice from the advisor, the co-operation from the faculty and parents, and the wonderful co-operation and time given from the staff and certain special workers, Cen-Trails ROUTE '66, would not have been possible.

Sincerely,
Judy Workinger
